PROFISSIONAL PROFILE

I am a young graduate in Design and Multimedia. Conquered by Design and the way it can affect the behaviour of the people around us. Ambitious, determined, dynamic and always willing to evolve and learn, I enjoy working in a team and intend to become an excellent designer and progress while showing my potential throughout my professional journey.

EXPERIENCE

> FACILITYARTS

MAR 2021 - NOV 2021

I have worked for FacilityArts in the position of Graphic Designer and UI/UX Designer in the marketing department since March, having started as a design service provider. I have also done design work for UtilityArts and CWJ, as these are aggregated companies of the same.

> RUI'S WORKSHOP

JUL 2019

I created the logo for the wood craft artist Rui Vieira for Rui's Workshop, as well as business cards.

> FLEX G & V

JUN 2018

In 2018 I was offered the opportunity to renew the logo of the company Flex G & V, lda, as well as to make their advertising cards.
